Dear Valued Partners,

Thank you for all the feedback you provided regarding Northwest Harvest’s SmartBuys Plus program.

NOTE FOR APRIL ORDERS: They will not be available for pick up or delivery until after Monday, April 6th. PLEASE PLAN AHEAD AND ALLOW EXTRA TIME.

We truly appreciate your business and patience with us while we transition some of our processes. Make sure to check the website regularly for any updates and the newest price sheets. As always, we encourage you to communicate any needs by emailing us and putting the word “Suggestions” in the subject line. Please continue to use email as a way of communicating with us as it greatly helps us do follow up.

Thank You,

Mary Huff, Distribution Manager for Northwest Harvest

To place an order or communicate with us please email: smartbuys@northwestharvest.org

Please complete all blanks on the order form including your billing address and shipping information. It is important to provide a contact number if questions come up regarding your order. We will email a confirmation that we received your order. Orders will be filled on a first come first serve basis.

Orders placed by March 27th, 2020 will be filled in the month of April. Orders placed outside this timeframe may not be processed. For best service get your order in before the end of each month.

When we pull your order for shipping you will receive a delivery notice. Your order may be on a NWH truck to a pick-up location near you; or it may be shipped by a private carrier. If you require special shipping or need the product by a certain date, please include that in the “other important information” box. If you get your regular NWH order thru a sub-distributor, please let us know in the “other important information” box. Also, please let your Sub distributor as well.

When the order leaves our warehouse, you will be sent an invoice reflecting actual quantities sent. Quantities may be limited. Invoices are to be paid within 30 days from the date of the invoice.

It is your responsibility to confirm actual quantities received at the time of delivery. If you discover any discrepancies, please notify us immediately. Take pictures if there are damages and email them to us or save the product in question. Pictures go a long way when we go back and negotiate with vendors. Thank you!
