ABOUT HOME TEAM HARVEST

Now in its 25th year, [Home Team Harvest](#) is Washington's signature annual food and fund drive—a powerful partnership between KING 5, Northwest Harvest, Safeway, and community organizations statewide.

Each November and December, we come together to support neighbors and strengthen local food systems. Whether you're donating food, raising funds, or taking action for change, thank you for being part of this milestone year and this shared commitment to making sure everyone has access to nourishing food.

From November 1 through December 31, you can also donate right on the pin-pad when you check out at your local Safeway store.

These donations go towards grocery cards and will provide much-needed funding that will be distributed to Northwest Harvest and their partner programs across Washington.
