

Census Outreach

Northwest Harvest supports the 2020 Census and a complete count in Washington. Census results help determine how billions of dollars in federal funding flow into states and communities each year and how many seats in Congress each state gets. It's mandated by the U.S. Constitution in Article 1, Section 2: The U.S. has counted its population every 10 years since 1790.

Five Things to Do Right Now

1. Add a link to the [2020 Census website](#) on your website
2. Activate social media with the U.S. Census Bureau [Facebook](#) page, [Twitter](#) feed, [YouTube](#) channel, and [Instagram](#) account. Be sure to tag your own social media posts with the hashtag #Census2020
3. Add a message to your email signature that your organization supports the 2020 Census and a complete count in Washington
4. Put up Census 2020 [flyers and posters](#) at your place of work
5. Send an e-blast to clients and constituents that the census is hiring
